

Knowledge Organiser: RE	Term: Autumn	Year Group: 5/ 6
Enquiry Question: Big Questions: What do people believe? What is my worldview? What do people believe about caring for the world and others? What do people believe about peace?		

Assessment	I fully understand 	I understand some 	I do not understand 
------------	--	---	---

Theology	How do we know if something is true or false?		Why should we care about the environment?	
Social	Why do people sometimes do bad things to others?		Why do some people follow a religion and others do not?	
Philosophy	Is there any proof of God's existence?		What does peace mean?	
Personal	Who or what has the greatest influence on me? Might this change over time?		How do I feel about the present state of the world?	

Key Learning		
Do I know what people believe about the environment and peace?	Do I know how to reflect upon the things that impact my own personal worldview?	Do I know how to express my own worldview and empathise with those of others?

Key Vocabulary					
Worldview		How someone sees and understands the world, including what they believe is right, wrong, and important.	Pacifism		Believing violence is never the right answer.
Environmental responsibility		Taking care of the Earth by protecting nature, animals, and resources.	Golden rule		Treat others the way you want to be treated.
Sources of authority		Places or people that help us decide what is right and wrong (e.g. holy books, leaders, laws).	Moral responsibility		Being responsible for your actions and choosing what is right.
Stewardship		Looking after the world because it is special.	Peace		Living without fighting and getting along with others.

Dominion		Having responsibility to care for the Earth and animals.	Gandhi		He fought against the British rule of his country.
Moral dilemmas		A tricky choice where it's hard to decide what is right.	Charles Darwin		Charles Robert Darwin (1809-1882) transformed the way we understand the natural world
			Evolution		The way that living things change over time.
