

?

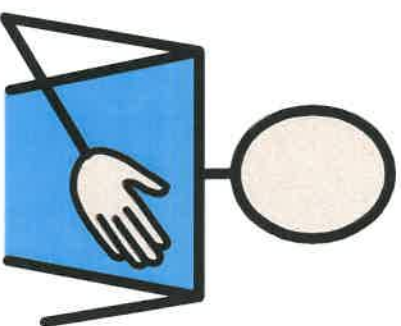

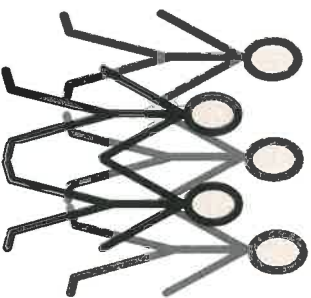

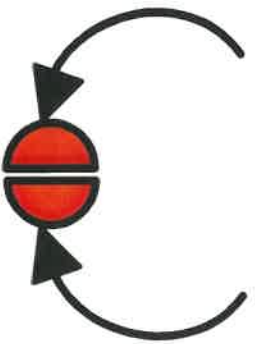

What is

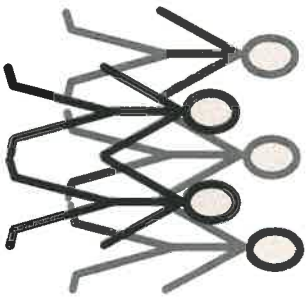

Coronavirus?

Coronavirus is a virus that can

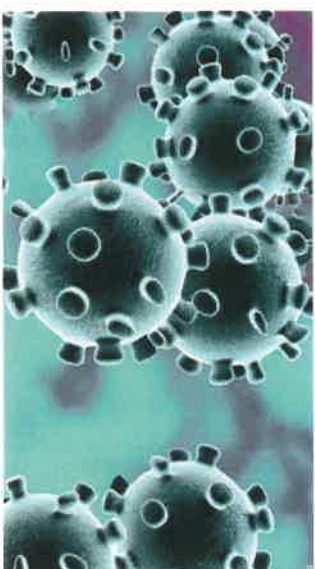

make people feel poorly.

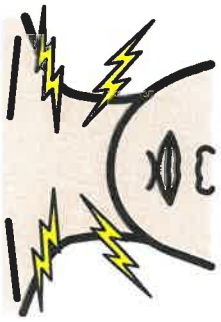

People

who have

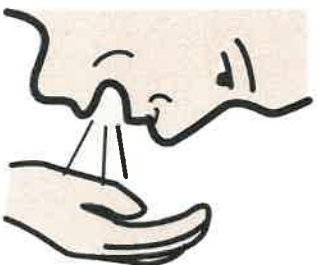

coronavirus

may have a

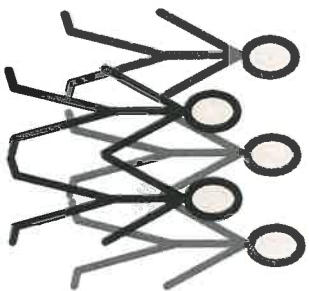

sore throat, a dry

cough, and a

temperature.

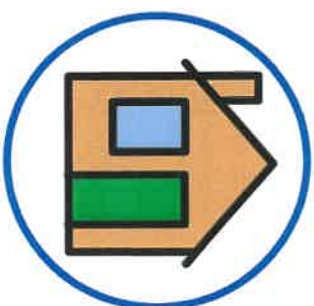

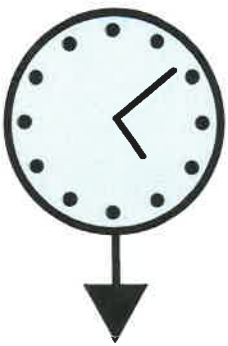

Most

people

who have

coronavirus

will

stay

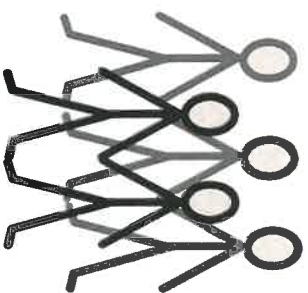

at

home

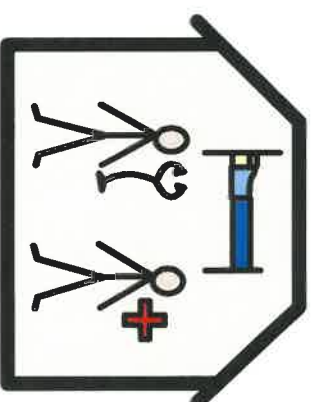

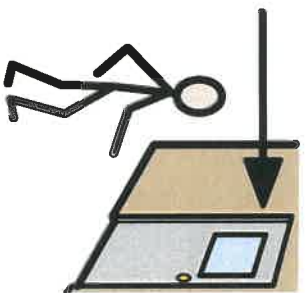

to

get

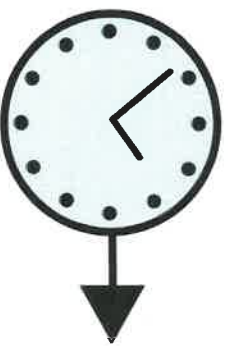

better.

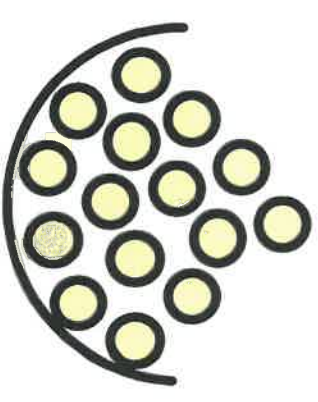

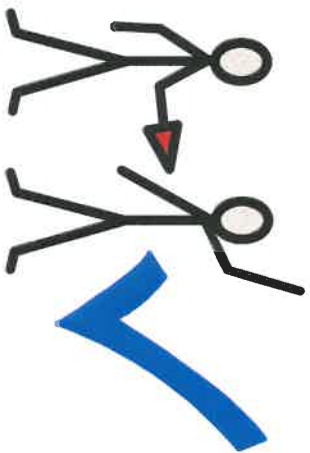

A few people who have coronavirus

will go to the hospital to get

better.

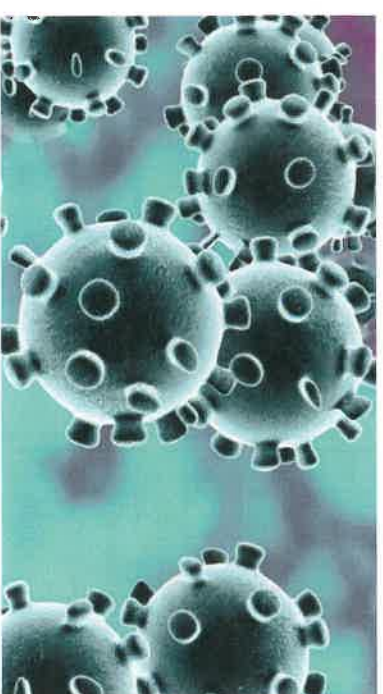

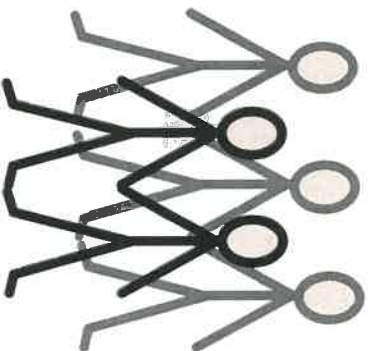

You can

help

to

stop

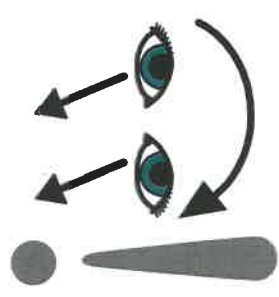

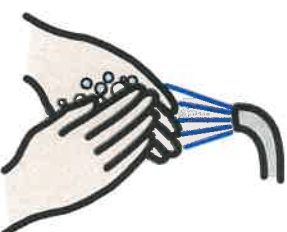

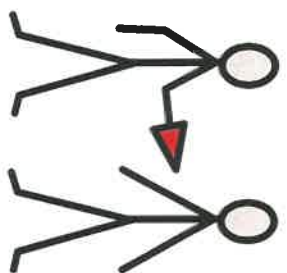

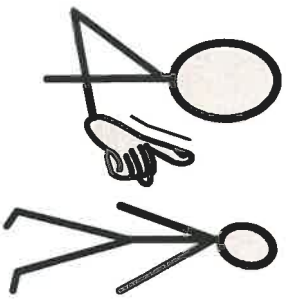

lots

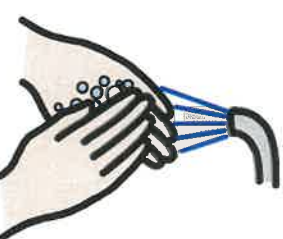

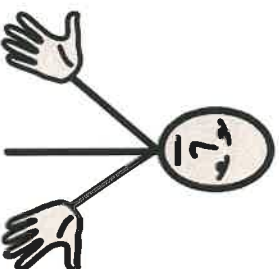

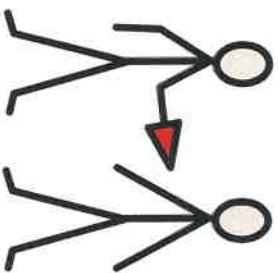

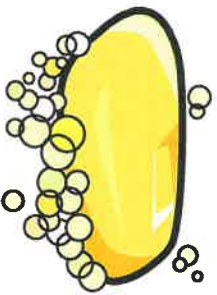

of people

catching

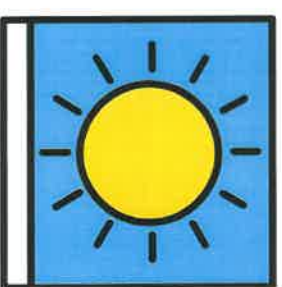

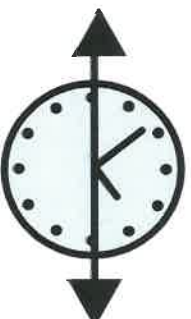

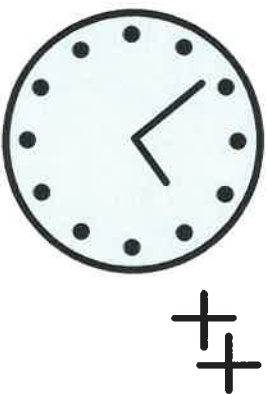

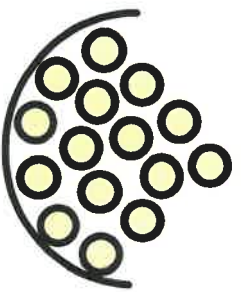

coronavirus.

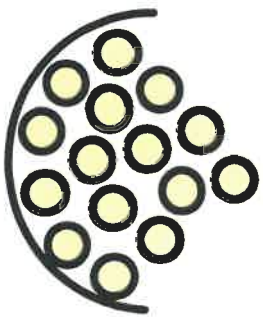

Make sure you wash your hands very carefully,

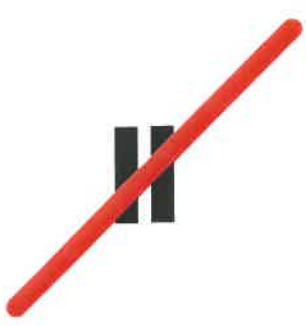

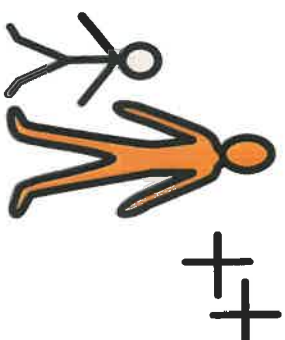

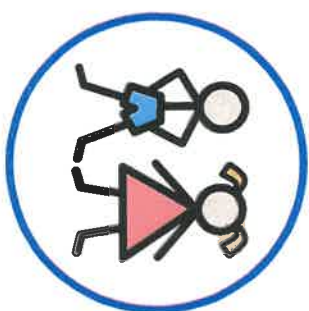

using soap. You need to wash your hands

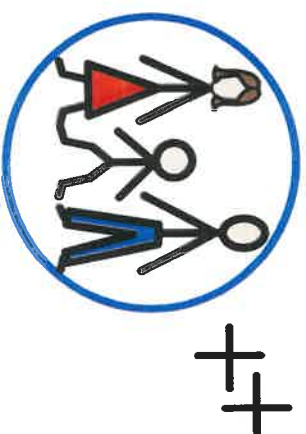

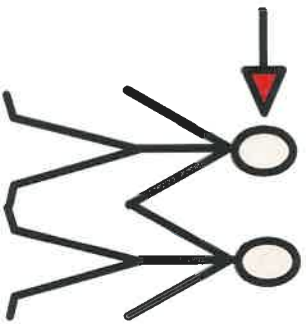

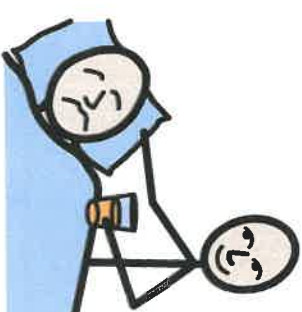

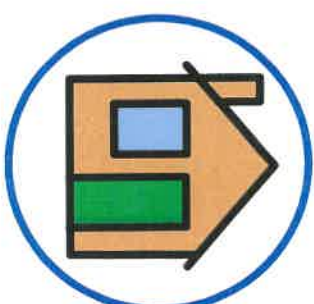

lots of times during the day.

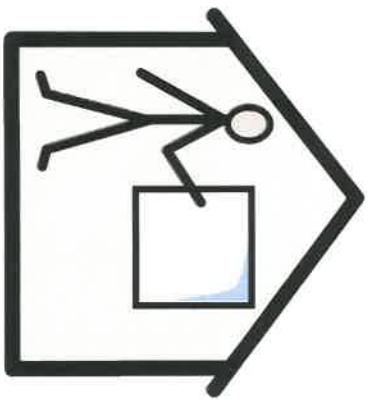

Lots of children and adults are not

in school. They are at home, looking after

themselves and their families.

School

is

closed

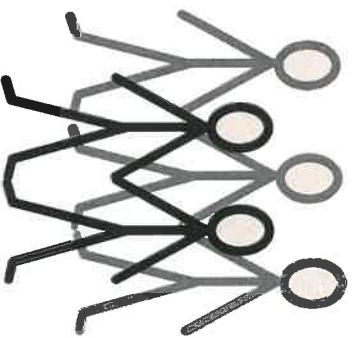

to

stop

too many

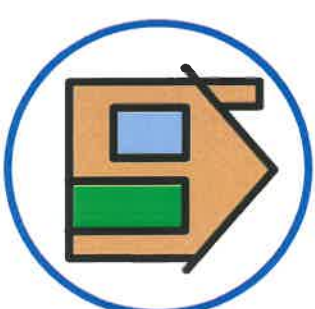

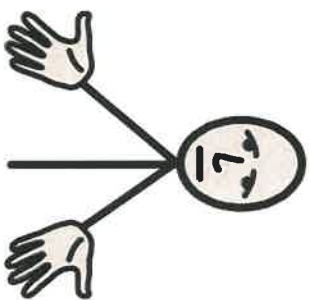

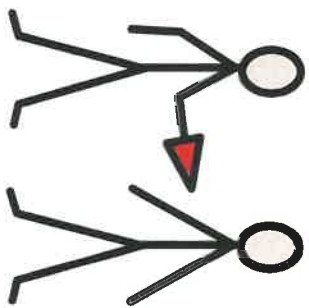

people

catching

coronavirus.

You

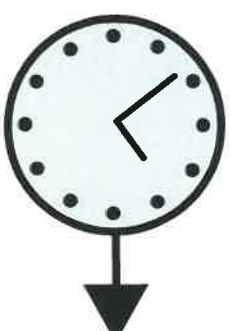

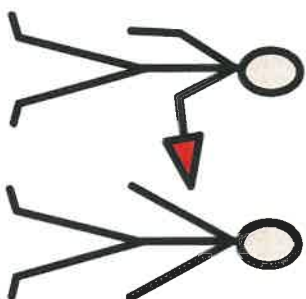

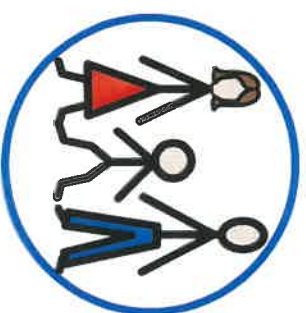

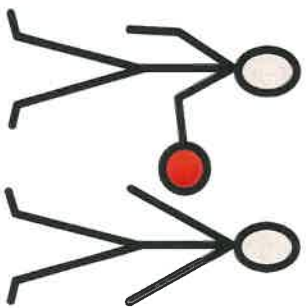

need

to stay

at

home

with

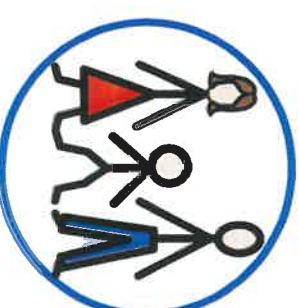

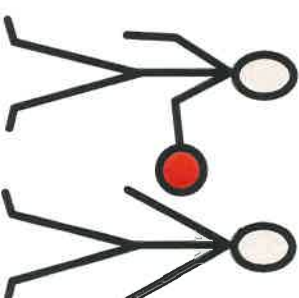

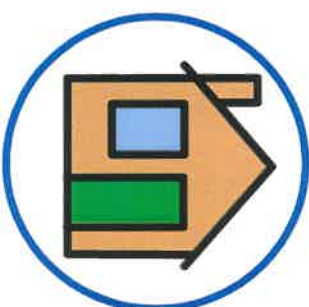

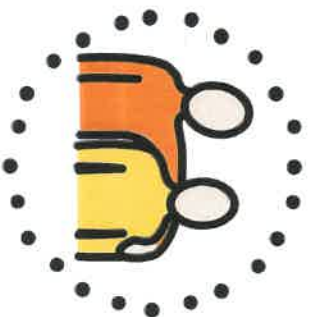

your

family.

You

will

be

safe

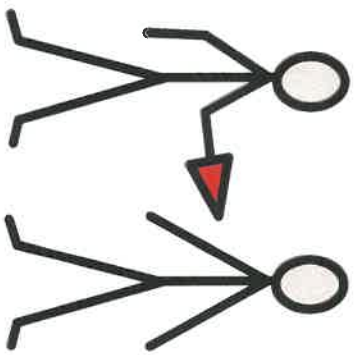

at

home

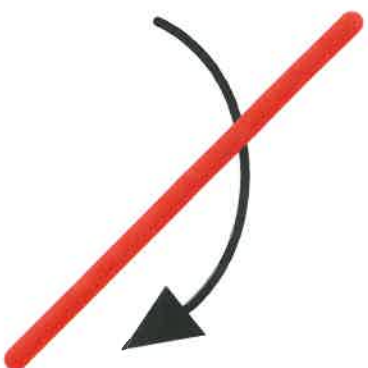

with

your

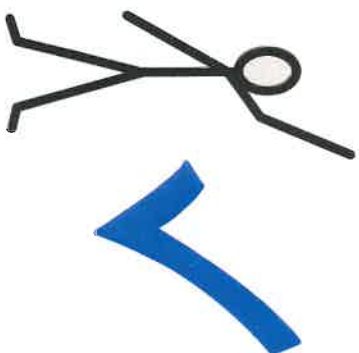

family.

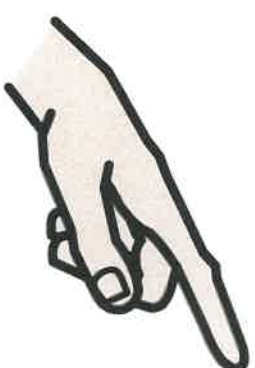

You

will not

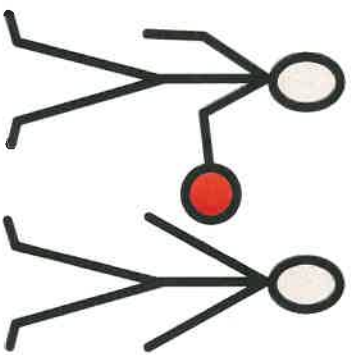

be able

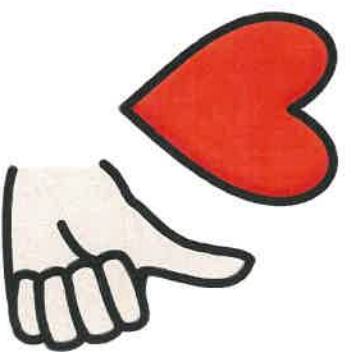

to go

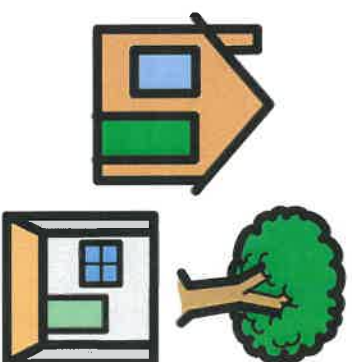

to

your

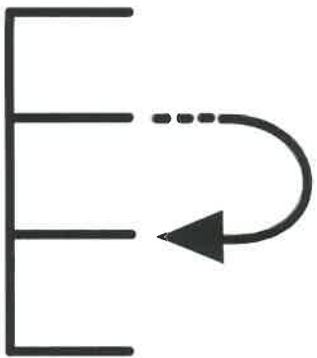

favourite

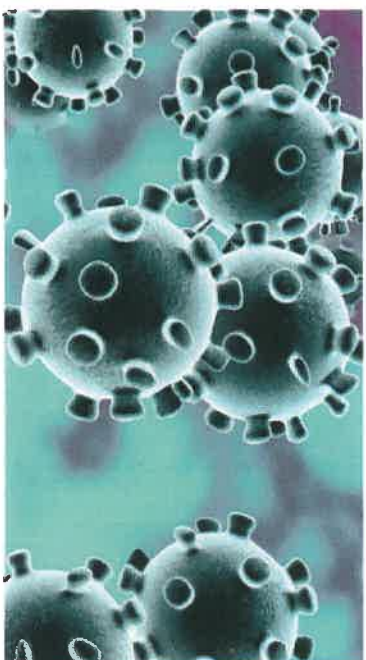

places

for a while.

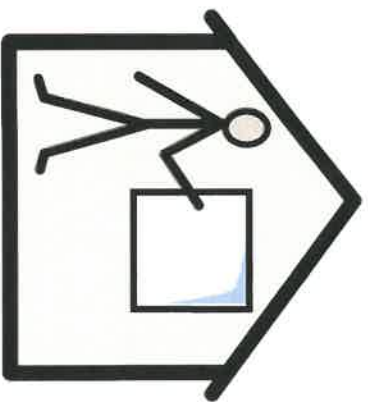

After

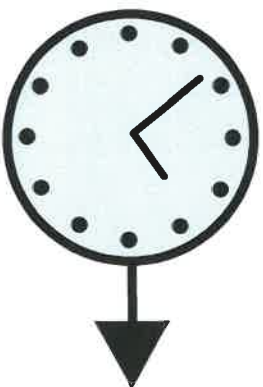

coronavirus

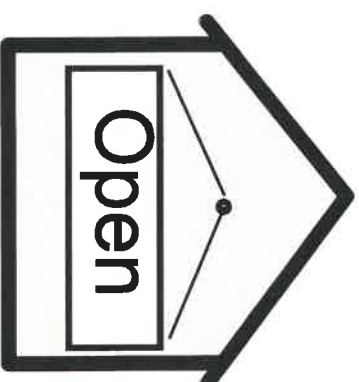

has gone,

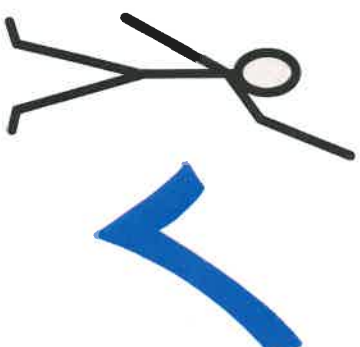

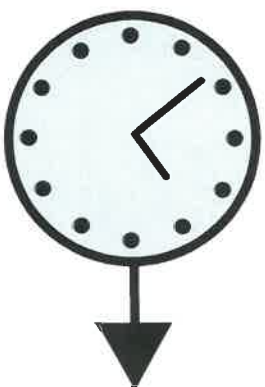

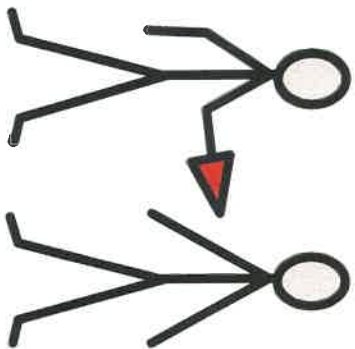

school

will be

open again.

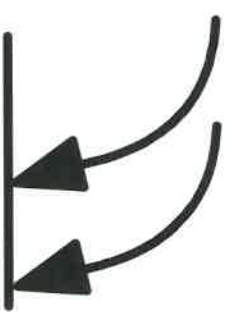

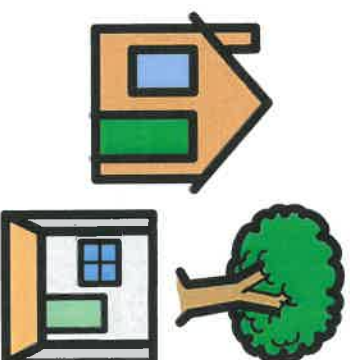

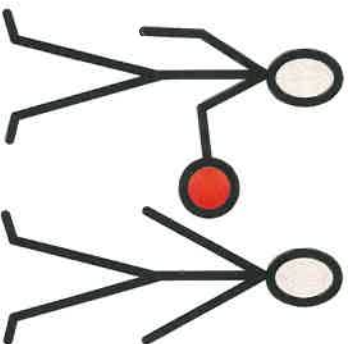

You

will

also

be able

to go

to your

favourite

places

again.
