

Marston Thorold's Charity Church of England Primary School

3rd October 2025

This term our Christian Value is 'Thankfulness'

Give thanks to the Lord, for his good and his love endures forever– Psalm 106:1

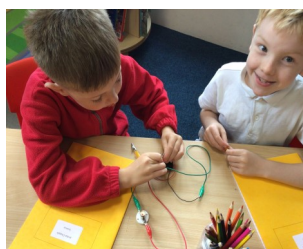

We are celebrating Black History Month in Collective Worship for the next couple of weeks. I have been really impressed with how many famous black people from history that the children can recall learning about – it shows that our inclusive curriculum is clearly helping children to remember with such interest and enthusiasm. We linked this with our value of Thankfulness and celebrated being thankful that we live and work in such an inclusive environment.

Our Harvest collection for the Grantham Food Bank is growing nicely – thank you for the donations so far. We are continuing to collect for them until our Harvest Service on the 21st October.

Our School Council have met today, we have discussed the ongoing maintenance for the bell which will total over £1000 – we have already raised around half of this through our events last year. The children are passionate about looking after this important part of our school and are excited with thinking of fundraising ideas. They are planning a disco on 28th November – more details to follow!

Many thanks for your continued support.

Class News:

Last week **Hedgehogs** enjoyed hunting for signs of Autumn as we followed a map around Marston. We also practised crossing the road safely! **Foxes** all did amazingly well at the rugby festival and did not stop running! In science, **Otters** have been investigating what happens when you increase the voltage in a simple series circuit with a bulb.

	Star of the Week	Special Mention	Values Points
