Marston Thorold's Charity Church of England Primary School

2nd October 2026

This term our Christian Value is 'Thankfulness'

'Praise the Lord. Give thanks to the Lord, for he is good; his love endures for ever." Psalm 106:1

Many thanks to the parents and carers who supported the MacMillan Bake Sale last Friday – we managed to raise more than £140 – this is amazing considering it was only about half an hour! We are really grateful for the huge amount of cakes Foxes received, they were so excited to share their special event with you all, and for such a good cause.

The School Council are already thinking ahead about our up and coming Harvest Service. The Year 6 Councillors have been looking up the 'most wanted' list on the Grantham Food Bank website. They have a list of items which we have shared with the school and would like to start collecting this week ready for our Harvest Service on the 21st October. We hope you will be able to join us in church for this event.

The items required are:

Rice pudding	Custard	Toilet roll	Nappies
Tinned fruit	Packets of biscuits	Shampoo	Shower gel
Jam	Breakfast cereal	Deodorant	Baby Food

They would of course be delighted to receive any non-perishable goods.

Many thanks for your continued support.

Hedgehogs searched for signs of autumn on a village walk this week. We found lots of conkers and noticed the leaves changing colour as well as the colder temperature!

Foxes are enjoying their Science learning this term all about Forces and Magnets. They especially enjoyed conducting their experiment last week.

Otters have been taking advantage of the weather to learn about and discuss how the circulatory system work in our bodies.
