

Marston Thorold's Charity Church of England Primary School

26th June 2026

Marston Thorold's Charity Church of England Primary School

This term our Christian Value is 'Creativity'

'In the beginning, God created the heavens and earth.' Genesis 1:1

Our value for the term is Creativity. We have worked together to create our own version of Van Gogh's 'sunflowers'. We used our 'Special Shine' on the first week back to make our own sunflowers and added them to the vase so that we have a whole school piece of art to enjoy for the term.

We are all looking forward to the FOMs Summer Fair on Friday 3rd July – the team have put in so much work and are very well organised. I hope everyone is saving pocket money up to be able to join in the fun!

Last week the Year 6s were out on their bikes enjoying Bikeability. They have been amazing and have clearly gained some really valuable lessons about ensuring that they are safe on the roads.

We are looking forward to welcoming you all to the usual end of term events such as Sports Day on Wednesday 8th July. We hope lots of you will be able to join us. Please be aware that we are asking parents and carers to bring their own chairs and/or blankets to sit on this year.

Many thanks for your continued support.

Mrs Bedford

Hedgehogs have celebrated achieving 100 class credits with an exciting non-uniform day, film and snacks – well done! Foxes have been loving their art lesson so far this term thinking about the art in nature. They have designed a mood board and looked closely at rainforest animals to make detailed sketches. Super work, Foxes! Well done to our year 6's for completing their bikeability. They all represented the school beautifully on the village roads.

Through our Christian Values and the legacy of Sir John Thorold, we strive to create an inclusive nurturing family where everyone can flourish, unlock their potential and widen their horizons.
