

Marston Thorold's Charity Church of England Primary School

15th May 2026

Marston Thorold's Charity Church of England Primary School

This term our Christian Value is "Respect"

'And as you wish others would do to you, do so to them.' Luke 6: 31

The Year 6s have been completing their end of Key Stage 2, or SATs tests this week. They have been amazing and taken it all in their stride. The children have worked exceptionally hard this week and we are really proud of all of them. It has been lovely to see how keen they are to show off their learning! Well done Year 6.

This week we have been delighted to have a letter from the Dame Margaret Thorold Educational Foundation. We had asked them a while ago if they would contribute to the costs of our Trim Trail along with the fundraising we had been doing in school. They have replied this week and have given us the remainder of the money. We also raised £230 from the disco last week for the Trim Trail and the School Council's chosen charity – Oxfam. Thanks for your contributions everyone. We are really excited about the Trim Trail and looking forward to being able to play on it as soon as possible!

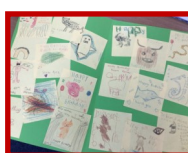

Last week we celebrated the 100th birthday of Sir David Attenborough in Collective Worship and talked about our favourite animals. We all drew our favourite animals and wrote a birthday message for Sir David. We have collated these into a birthday card to send to him.

We have some lovely entries to the Respect poster competition – the deadline is Friday 22nd May so please get any additional entries to the office by this date ready for the School Council to pick the winners!

Just a reminder that although it is the summer term, uniform expectations remain in place, including wearing school shoes and not trainers.

Many thanks for your continued support.

Mrs Bedford

In RE, **Hedgehogs** have all been thinking about what makes something 'sacred' and exploring objects from different religions. Year 1 & 2 have also learned that the equator is a very hot, invisible line around the earth!

After celebrating David Attenborough's big birthday, **Foxes** have been inspired to write about animal adaptations in English. They have really enjoyed researching animals for their explanation texts.

We are very proud of our Year 6's this week for their approach to the SATs. They all managed themselves in an exemplary manner and well done to the Year 5's for their flexibility in their learning this week!

	Star of the Week	Special Mention	Values Points
Hedgehogs	Kealan	Ava	50– Indie
Foxes	Oliver	Lucy	75–Beatrix
Otters	Dougie	Year 6	

Diary Dates

Thursday 21st May

Through our Christian Values and the legacy of Sir John Thorold, we strive to create an inclusive nurturing family where everyone can flourish, unlock their potential and widen their horizons.

Class News

In English, Year 1&2 have been exploring the features of non-chronological reports. Hoglets have been reading Meerkat Mail and learning about animals that live in hot and cold places. We have all been enjoying the sunshine too!

Foxes have enjoyed practising their bowling and fielding skills for cricket in PE. We have really enjoyed the beautiful sunshine on the field.

Otters have enjoyed exploring forces and measuring gravity's pull using force meters whilst recording and discussing their findings.

	Star of the Week	Special Mention	Values Points
Hedgehogs	Teddy	Connie	50– Cody & Archer 75– Luca
Foxes	Colby	Colby	50– Esme & Alex 75– Francesca
Otters	Willem	Albie	50– Ollie & Dylan 75– Isabelle, Jake, Verity & Coda 100– George
