This term our Christian Value is "Respect"

'And as you wish others would do to you, do so to them.' Luke 6: 31

The summer term has been full of sunshine so far! School Council are getting excited about their disco on Thurs 7th May – many thanks to those of you who have purchased tickets already. The proceeds go towards our Trim Trail on the field and to the childrens' chosen charity, Oxfam.

We have been thinking about our new value of 'Respect'. During our 'special Shine' last Friday, the children were considering the part of our vision that says we "strive to create an inclusive, nurturing family". They have all drawn and written on jigsaw outlines about the things we do in school to create this including: helping people when they fall over; holding doors open for people; saying 'good morning' and treating everyone kindly whoever they are. This week, we have put some of those onto play bricks and built a wall in Collective Worship to show how these things together create a strong foundation for a happy school.

The School Council have also launched a 'respect poster competition' – this has been emailed out to parents. The children can make a 'respect' poster at home, winners will be chosen from each class before half term.

We have also been busy putting together a programme of lunchtime clubs for the children to access including Lego, Tennis/Badminton, Football, Board Games and D&D.

I have put a video on Facebook of our school bell ringing now it is has had it's big service. The children in Otters class report how much easier it is to ring now and we have noticed what a lovely sound it makes as it rings! Many thanks to FOMS for paying for this.

As ever, thanks for your continued support.

Class News

In English, Year 1&2 have been exploring the features of non-chronological reports. Hoglets have been reading Meerkat Mail and learning about animals that live in hot and cold places. We have all been enjoying the sunshine too!

Foxes have enjoyed practising their bowling and fielding skills for cricket in PE. We have really enjoyed the beautiful sunshine on the field.

Otters have enjoyed exploring forces and measuring gravity's pull using force meters and recording and discussing their findings.
