

Marston Thorold's Charity Church of England Primary School

20th March 2026

Marston Thorold's Charity Church of England Primary School

This term our Christian Value is 'Perseverance'

'I can endure all these things through the power of the one who gives me strength.' Philippians 4:13

We have been amazed by how much sponsor money everyone has sent into school for our Great Athletes event. The final total was £838 which is fantastic for a small school – thank you so much!

The School Council are now busy with their charity project. The whole school has voted for the United Nations Global Goal that they were most concerned about – the winning goal was 'No Poverty'. The School Council then shared some facts about the Oxfam Charity with the whole school. The children would like to support this charity as a way of alleviating poverty. They are busy collecting fundraising ideas which the Council will look through before choosing an idea for next term. They are really keen to do their bit to try and help poor people across the globe and we are all really proud of how seriously they take their global citizenship.

We will keep you updated with our progress!

Many thanks for your continued support.

Mrs Bedford
